

October 2020 - Version 1

Product Name -	ScreedBoard
Use -	Acoustic and underfloor heating floor applications
Company -	Collecta Limited , Bounty House, Medway Valley Park, Rochester, Kent, ME2 2NF
Email/Web Address -	technical@collecta.co.uk www.collecta.co.uk
Emergency Contact No. -	During office hours - 01634 296677. Outside of these please contact a medical professional.

Gypsum $\text{CaSO}_4 - 2\text{H}_2\text{O}$
 Fraction of cellulose fibres - $(\text{C}_6\text{H}_{10}\text{O}_5)_n$

Appearance -	High Density Gypsum Fibre board, grey in colour
Odour -	None
Inhalation -	Gypsum dust may irritate the respiratory system
Skin Contact -	Gypsum dust may irritate sensitive skin
Eye Contact -	Gypsum dust may irritate eyes

Section 4 - First aid measures

Inhalation -	Remove the person to fresh air, should symptoms persist, consult a medical professional
Skin Contact -	Wash skin with plenty of water, then wash with water and soap.
Eye Contact -	Immediately flush with plenty of water for at least 5 minutes. If irritation persists, consult a medical professional.
Ingestion -	Wash mouth out and drink plenty of water. Do not give laxatives or induce vomiting. Should symptoms persist consult a medical professional.

Extinguishing Media -	All extinguishing media is suitable. Product is non-combustible
Fire Fighting Instructions -	In case of fire, minimal amounts of carbon dioxide and carbon monoxide are released. Wear suitable breathing apparatus and protective fire fighting clothing.
Advise for Firefighters -	N/A

Environmental Protection - N/A

Safe handling Advice -	Ensure that handling equipment is of suitable capacity and that all operatives are advised of handling procedures. Care should be taken to avoid strain to handlers.
Cutting -	ScreedBoard should be cut with a skill or hand saw in well ventilated areas. If using a skill saw, suitable dust extraction units and face mask should be used.
Max Storage Temp -	70°C
Storage Conditions -	ScreedBoard should be stored flat and in dry conditions and not outside.

Section 8 - Exposure Controls/Personal Protection

Respiratory equipment -	Wearing suitable face mask is recommended when cutting ScreedBoard .
Hand Protection -	Gloves may be worn for comfort.
Eye Protection -	Use goggles or safety glasses when exposed to dust.
Skin Protection -	N/A
Hygiene Measures -	After contact, wash hands with lukewarm water and soap.

Section 9 - Physical and Chemical Properties

Appearance -	Solid flat sheet
Odour -	Odourless
Melting Point -	N/A
Ignition Point -	N/A
Density -	approx. 1.5g/cm ³
Solubility -	CaSO ₄ - 2H ₂ O - approx. 2 g/l Cellulose - insoluble
VOC -	After 3-7 days no VOC or SVOC present

Section 10 - Stability and Reactivity

Reactivity -	None
Chemical Stability -	N/A
Hazardous decomposition Products -	Carbon monoxide and carbon dioxide from thermal decomposition or incomplete combustion. None
Dangerous Reactions -	Moisture
Conditions to avoid -	

Section 11 - Toxicological Information

Irritant Effect -	ScreedBoard is non-toxic, however, dust can cause short term irritation to the respiratory system and eyes. No known long term effects.
--------------------------	------------------------------------------------------------------------------------------------------------------------------------------------

Section 12 - Ecological Information

Biodegradation -	ScreedBoard is not biodegradable.
-------------------------	------------------------------------------

Section 13 - Disposal Considerations

Disposal -	Recycle, reuse or dispose according to local regulations.
-------------------	-----------------------------------------------------------

Section 14 - Transport Information

This product is not classified as hazardous for land, maritime and air transport

Section 15 - Regulatory Information

This product is not classified as hazardous.

Section 16 - Further Information

Supplementary information about this product can be supplied by Cellecta Ltd.

The information given is correct to the best of our knowledge at the time of publication but without guarantee of accuracy. It does not represent a guarantee of the properties of the product. We do not accept any responsibility for damage and claims arising from handling, transport, storage or disposal of the product. This data sheet applies to the product named above. If the product is used as parts of other products, information in the safety data sheet may be invalidated. No warranty is hereby expressed or implied.

FIBREfon 10 WF

October 2020 - Version 1

Section 1 - Chemical Product and company identification

Product Name -	DECKfon Foam
Use -	Acoustic resilient layer
Company -	Cellecta Limited , Bounty House, Medway Valley Park, Rochester, Kent, ME2 2NF
Email/Web Address -	technical@cellecta.co.uk www.cellecta.co.uk
Emergency Contact No. -	During office hours - 01634 296677. Outside of these please contact a medical professional.

Section 2 - Composition

Wood fibre acoustic board

Section 3 - Hazards Identification

Appearance -	wood fibre board, brown in colour
General -	wood fibre board is not classed as hazardous
Hazards -	N/A

Section 4 - First aid measures

Inhalation -	No specific risk
Skin Contact -	No specific risk
Eye Contact -	In case of contact from wood fibre dust, flush with plenty of water for at least 5 minutes. If irritation persists, consult a medical professional.
Ingestion -	Drink plenty of water. Do not give laxatives or induce vomiting. Should symptoms persist consult a medical professional.

Section 5 - Fire fighting measures

Extinguishing Media -	Water, CO ₂ , powder or foam can be used - do not use water if fire is caused by an electrical short circuit.
Specialist protective equipment -	In enclosed areas, used self contained breathing apparatus.

Section 6 - Accidental Release Measures

Environmental Protection -	No specialist measures required when used in application for which the product was intended.
-----------------------------------	----------------------------------------------------------------------------------------------

Section 7 - Handling and Storage

Storage Conditions -	FIBREfon 10 should be stored in dry conditions and not outside. Keep away from sources of ignition.
-----------------------------	------------------------------------------------------------------------------------------------------------

Section 8 - Exposure Controls/Personal Protection

Respiratory equipment -	No specific risk - wear a suitable face mask where appropriate.
Hand Protection -	No specific risk - wear suitable gloves where appropriate.
Eye Protection -	No specific risk - wear suitable safety glasses where appropriate.
Skin Protection -	N/A
Hygiene Measures -	After contact, wash hands with lukewarm water and soap.

Section 9 - Physical and Chemical Properties

Appearance -	Solid, wood like colour
Odour -	minimal characteristic odour
Melting Point -	N/A
Density -	>235kg/m ³
Solubility -	N/A
PH Value -	5-6

October 2020 - Version 1

Section 10 - Stability and Reactivity

Reactivity -	No hazardous reactions known
Chemical Stability -	No hazardous decomposition products known
Dangerous Reactions -	None
Conditions to avoid -	Moisture

Section 11 - Toxicological Information

Irritant Effect -	These products present no danger in normal use and for which the product was intended.
--------------------------	----------------------------------------------------------------------------------------

Section 12 - Ecological Information

Biodegradation -	Biodegrade
-------------------------	------------

Section 13 - Disposal Considerations

Disposal -	Dispose of according to local regulations.
-------------------	--------------------------------------------

Section 14 - Transport Information

This product is not classified as hazardous for land, maritime and air transport

Section 15 - Regulatory Information

This product is not classified as hazardous.

Section 16 - Further Information

Supplementary information about this product can be supplied by Cellecta Ltd.
