

Residential Case Study

PROJECT BACKGROUND – TEN LOCKS VILLAGE,
HARBOROUGH

Project Background

Ten Locks Village is a range of 2, 3, 4, and 5 bedroom homes located in Market Harborough, Leicestershire. This countryside town has excellent transport links and proximity to major road networks, only an hour's commute to London by train. With off-street parking, natural beauty, and various amenities, including the historic Rockingham Castle, Ten Locks Village was named in the Sunday Times Best Place to Live within the catchment area for a primary and Secondary school education.

Cellecta **ScreedBoard 28** was specified for this project due to its unrivalled performance. The unique interlocking edges on our **ScreedBoard 28** mean that no screws are required, making it easy to install, a convenience on-site saving installation time.

Avant Homes were awarded the contract to construct this 400m² development.
