PROJECT BACKGROUND – PEAR TREE COURT, WATERLOOVILLE

Project Background

Pear Tree Court is a stunning care home in Waterlooville, Hampshire, which offers a range of care in beautiful surroundings. This care home has the latest in luxury facilities, a café, hair salon, gardens, cinema, its own pub, and 72 en-suite bedrooms over three floors. The home is divided into smaller suites, each with its own lounge, dining room and TV lounge and every bedroom is beautifully decorated and furnished.

Cellecta's **ScreedBoard 28** was specified due to it being an award winning 100% recycled, reinforced, non-combustible, calcium sulphate floorboard, ideal for a multitude of new build and refurbishment applications. **ScreedBoard 28** was chosen in this project due to its outstanding acoustic performance, ideal for a busy care home!

CastleOak Care Partnerships were awarded this 2,376m² contract to construct this care home.
