

Residential Case Study

PROJECT BACKGROUND – BERWICK GREEN, BRISTOL

Project Background

Berwick Green is a brand new planned development of 102, 2 bedroom flats and 156, 2, 3, and 4 bedroom houses seven miles north the historic city of Bristol in Cribbs Causeway. This community provides the perfect blend of urban and coastal living with a wealth of amenities, including shops, restaurants, and schools.

Cellecta's **YELOfon HD10+** was specified by **Focus on Design** due to its unrivalled acoustic performance in isolating a floating screed from a structural concrete floor. This product is lightweight making it easy to install. **YELOfon HD10+** is also delivered in rolls to ensure it's easy to handle.

Bellway Homes was awarded this 3,500m² contract for this Robust Detail Registered Site in South Gloucestershire.
