

Commercial Case Study

PROJECT BACKGROUND – FOWEY HALL HOTEL, CORNWALL

Project Background

Fowey Hall is a hotel located within a mansion on 5 acres of grounds overlooking the Fowey Estuary. The hotel is a 5-minute walk from Fowey town centre and 8 miles from the Eden Project. The scheme comprises of a refurbishment, reconfiguration and extension of the existing four-star family hotel including rooftop extensions, this provides enhanced facilities including additional guestrooms, new creche and children's playroom, lounge area, and outdoor swimming pool with pavilion. Landscaping works, additional parking, and associated infrastructure. This project also includes associated infrastructure works and access roads.

Collecta's **HiDECK Structural 25** was specified by **Jeremy Blake Architects** due to it being a conductive structural floorboard and having outstanding acoustic and fire performance and low thermal resistance.

Brady Construction Services was awarded this 320m² contract for this development in Cornwall.
