

# Residential Case Study

## PROJECT BACKGROUND – REFLECTIONS, BOURNEMOUTH

### Project Background

Reflections is a complex of luxury waterside apartments, built in a contemporary style, most living areas look over Bournemouth Bay and Southbourne Overcliff Drive. The complex features four 3 bed and five 2 bed apartments.

Cellecta's **YELOfon HD10+** was specified by **Harlequin Homes** due to the system being lightweight, easy to install, and delivers unrivalled acoustic performance when used to isolate a floating screed from a structural concrete floor. **YELOfon HD10+** is an acclaimed resilient layer system that carries 3 proprietary Robust Details: E-FC-5, 17 & 18.

**Glossbrook** was awarded this 400m<sup>2</sup> contract to construct this development in Bournemouth.
